The Olive Farm is waiting for you. Seeking an investment opportunity on Salt Spring Island? Here it is. The Olive Farm is available for a new owner to grow this opportunity into a global enterprise. This holding is in two adjacent large acreages of fertile property with excellent water and approximately 5 acres of producing olive trees. The land itself is unique and offers a premier growing environment. Positioned in the Fulford Valley with excellent sun exposures with vistas over the valley. The property currently offers a cottage home and several outbuildings. Fuford Creek is on one edge of the property and offers a forest environment with private trails. The property has a water license here. It takes time to build a productive Olive orchard and after several years of careful nurturing, the current owners are seeking to pass this important property on to the next generation. (id:6289)
