Vacant Land on 0.53 Acres

Chase, Chase, British Columbia

Rare Opportunity! 49-year periodic Crown lease lot for sale on Little Shuswap Lake reserve land. The pre-existing cottage was lost in the Bush Creek fire last year and after many years of enjoyment, the owners have decided to let it go so that a young family will have their dreams of living on the waterfront become a reality. 30 years remain of a solid 49-year lease. The .53-acre lot must be purchased with all cash, no CMHC financing available here. Enjoy 100' of prime water frontage with a sandy beach, epic dock, buoy, existing concrete and pavement work, and bright sunny exposure. Cool down in the refreshing water of Little Shuswap Lake during those 35-degree plus days. These periodic leases rarely come available, so you best take a close look at this one! From here you'll have direct access to 4-season action; world class boating, biking, hiking, golfing at Talking Rock & dining in Jack Sam's restaurant, simply epic. With a history of leasehold waterfront properties in the area, having offered multiple leases over time, there's a strong precedent already set that indicates the likelihood of securing a new lease or an extension to the current lease, when the time comes. With that said, this is not a guarantee. Be sure to gather more information, see more pictures, and watch a compelling aerial drone video before booking your appointment to view this one, you will not be disappointed! (id:6289)
