MOVE IN NOW! These traditional row townhomes are the best new construction deals in the Valley. This unit is \$649,900 and now (if you are a first time buyer) does not have PTT. No only that but the seller is offering one year of FREE strata fees. The deals do not get any better than this. These homes are already the best priced in the Valley and now they just got better. Besides the value portion of the equation you can't beat the location. Walk to the UBCO campus, 5 min to the airport, shopping is 5 minutes away and the award winning rail trail that links to downtown and places north is only 5 minutes away. All homes come with modern fixtures and features such as stainless steel kitchen appliance, full size laundry units, ice cold central A/C with forced air gas heat, all window coverings and a two car garage. Buy and live or buy and rent or buy for your kids while they attend UBCO. At this price, why rent? The Delta II floor plan at Academy Ridge is where modern style meets everyday convenience! This move- in-ready townhome offers 3 bedrooms, 2.5 baths, and a thoughtfully designed layout with 9ft ceilings and premium finishes. With low strata fees and pet-friendly bylaws this home is perfect for students, professionals, or investors. Don't miss out, schedule your showing today!
