Welcome to your own lakeside sanctuary, where luxury meets tranquility in this one-of-a-kind retreat. From the edge-grain cedar finishes to the fully integrated smart home features, this home is designed to elevate your everyday living. The sleek, contemporary kitchen and spa-inspired bathrooms reflect a design that effortlessly brings the outdoors in. A standout feature is the expansive sunroom, flooded with natural light thanks to skylights and oversized windows, complete with hidden speakers and direct access to a BBQ and social patio area. Step outside and you'll find over 90 unique seating areas, each offering a different perspective of the landscaping and lake. The outdoor fire table with LED lighting and Sonos sound creates an inviting ambiance, while a plunge pool and waterfall feature enhance the serene vibe. Wellness is front and centre here. A private 750 sf gym is fully equipped with its own bathroom and steam shower, and the lower-level features an infrared sauna and cold bath spa bringing the feel of a luxury resort right into your home.
