Lake Country North West, Lake Country,

Move-in ready, just in time before Christmas! Enjoy your cozy gas fireplace and breathtaking rooftop views at Lakeview Terraces! The open concept design with 10-foot ceilings makes the primary living space feel like a detached home. Look no farther if you want a low-maintenance lifestyle by the lake! The primary floor has your kitchen, dining area, living room, and a 2-piece bathroom. The kitchen features quartz countertops, a gas range, stainless steel appliances, tons of cabinet space, and a pantry! The kitchen looks out to the dining area and your living room which features your gas fireplace. Upstairs you have your laundry area, 3 bedrooms, and 2 bathrooms! The master bedroom has a huge 5-piece ensuite and a large walk-in closet! From this floor you can access your massive rooftop terrace! Enjoy the peace and serenity of your panoramic view or invite up your friends to entertain! Downstairs on the ground level there is a fourth bedroom with a separate entrance and roughed in plumbing (potential for a 4th bathroom). A separate entrance makes the fourth bedroom very versatile. The space would work well as an office, or home based business, or simply as a spare bedroom for guests. Recent upgrades include a new tile shower constructed with high end fixtures on the upper floor. The fourth bedroom was recently refreshed with Turkish carpet and fresh paint. The entire home has been meticulously cared for and is in brand-new
