For more info, please click Brochure button. Welcome to Bella Vista, a thoughtfully planned community nestled in the heart of the Columbia Valley. This 1.1-acre lot offers sweeping views of Columbia Lake, the Hoodoos to the north, and the surrounding Rocky Mountain peaks—all visible from a future deck or home site. The property provides generous space, natural privacy, and topographical separation from neighboring homes, creating a peaceful setting immersed in nature. The Bella Vista community was designed with both function and beauty in mind. Residents benefit from a gated entrance with a safe five-lane turn-in, underground services including propane, and over four kilometers of walking trails that meander through treed green space and alongside seven creeks—two of which are natural, and five man-made. Oversized and sloped lots are positioned to maximize views and create a park-like atmosphere throughout the development. Additional features include a striking community centre located on a two-acre green space, secured RV and boat storage, and newly added semi-private pedestrian lake access across the CP rail tracks—allowing convenient enjoyment of Columbia Lake. Low strata fees, a well-managed contingency reserve fund, and architectural guidelines ensure long-term

community value and upkeep. (id:6289)
