Revelstoke, Revelstoke, British Columbia

Attention entrepreneurs, restaurateurs and hospitality professionals! One of Revelstoke's most beloved eateries is now being offered for sale! Revelstoke is a town with a love for local agriculture and food production and Terra Firma's Kitchen is firmly at this intersection while also benefiting from the robust local hospitality sector. This beautiful farm to table cafe is known for its exquisite baking, fresh and healthy soups, sandwiches and salads, and of course, superb coffee! Its reputation as the go to lunch and brunch spot has been growing since its debut in 2020, and the year over year sales figures support the conclusion that this is a business with a strong growth curve in front of it. With a large, modern, open kitchen, tweaks to the concept could allow for new revenue streams such as dinner service, expanded catering operations and cooking classes. The cafe location is prime, with excellent exposure on Revelstoke's main arterial road and a short walk from the CBD. (id:6289)
