Fruitvale Rural, Fruitvale, British Columbia

Can't find your dream home? Think about building it on the beautiful 9-acre property. Its location just outside the village, but only minutes to downtown, school, shopping, airport, and the US border. Yet it feels like you're on your own piece of paradise, miles away from everyone. There are tall, thick trees all around it, plus Beaver Creek runs through it all year round. The property is mainly fenced off already and waiting for your animals. Plus, it's accessible by two roads, with gas, power, and water at the property line. What else could you ask for with property? All you have left to do is put on a dwelling and enjoy the tranquility of nature. (id:6289)
