Single Family on 0.21 Acres

Ashcroft, Ashcroft, British Columbia

Have you been searching for a log home? This 2-bedroom, 1-bathroom property on North Road between Ashcroft and Logan Lake offers the chance to restore a solidly built log home into something truly special. The home features community water, a septic system, and a WETT-certified wood stove for efficient heating. While the property does need some updates inside and the yard would benefit from being cleared, the strong bones and timeless log construction make this an excellent opportunity for the right buyer. Set in a semi-rural location, you'll enjoy the feeling of being out of town while still having a neighbour nearby. With some vision and care, this could become a cozy year-round residence or a peaceful country retreat. (id:6289)
