Single Family on 0.17 Acres

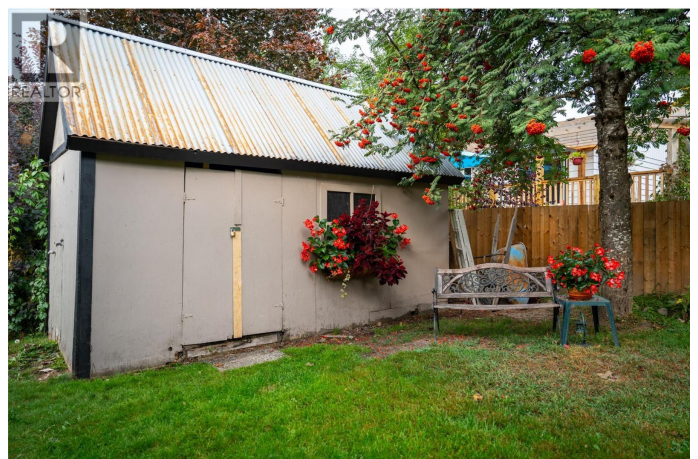

Revelstoke, Revelstoke, British Columbia

This move-in ready, tastefully updated 3 bedroom / 2 bathroom family home is in amazing shape and waiting for you to move right in. Upgrades are too numerous to list but include engineered hardwood flooring, newer generation vinyl slider windows, a fully renovated upstairs bathroom, newer carpet and tile flooring, new baseboard heaters and trim, a large covered deck (with hot tub) and more! A separate entrance to the basement gives a head start to anybody wanting to add a revenue generating suite while a spacious, unfinished basement storage room could be transformed into a 4th bedroom. All bedrooms are generously sized and the cozy downstairs family room gives the family or roommates lots of room to spread out. The large backyard is home to beautiful mature conifer trees, and features a handy shed, ample storage under the deck, and lots of space for gardening. All this on an over-sized lot on one of the quietest cul-de-sacs in Revelstoke. Pride of ownership shows throughout this great home, so call for a viewing today! (id:6289)
