The Hermit's Haven: Where 'Off-Grid' is an Understatement Forget overpriced urban drama—we™ve found the ultimate escape hatch, and frankly, we™re a little jealous you™re considering it. This isn't just a 3-bed, 1-bath home; it's a test of character accessible by boat only. Your commute involves waves, not traffic, and your entire supply chain is whatever you can carry. The property is fully off-grid (solar/propane)—meaning you™ll save on hydro, but you™ll spend more time staring forlornly at the sky willing the sun to appear. This is for the buyer with true grit and a healthy fear of the modern world. Likely Cash Buyers Only! If you can handle the logistics, you get a priceless reward: absolute, unfiltered Kootenay seclusion. The reward for your commitment? Unparalleled tranquility. Step out of your door and right onto a glorious, babbling creek front—the kind of noise that drowns out existential dread. Better yet, you are a stone's throw from the majestic Arrow Lake, offering pristine fishing, kayaking, and legendary starry nights. This isn't just a rustic cabin; it's a fully-equipped adventure base in the heart of the Lower Arrow Lakes region, yet still offers manageable proximity to southern Kootenay communities. Don't be a whiner. This is the ultimate privacy—if you™re tough enough to earn it. Serious inquiries only. No tire-kickers. (id:6289)
