They don't build em like this anymore! Enjoy this extremely convenient location in the middle of the city with views! Close to all amenities that you would need. Shopping, MUN, Hospitals, and recreation opportunities are within walking distance. The condo is a functional layout with one bedroom, one bath and a kitchen / living open concept. The west facing balcony is a nice bonus and adds to the natural light in the condo. Lots of on site parking and the heat and light is included in the condo fees! Act quickly as condos do not come to market very often in this centrally located building. (id:6289)
