Single Family on 13885.00 Acres

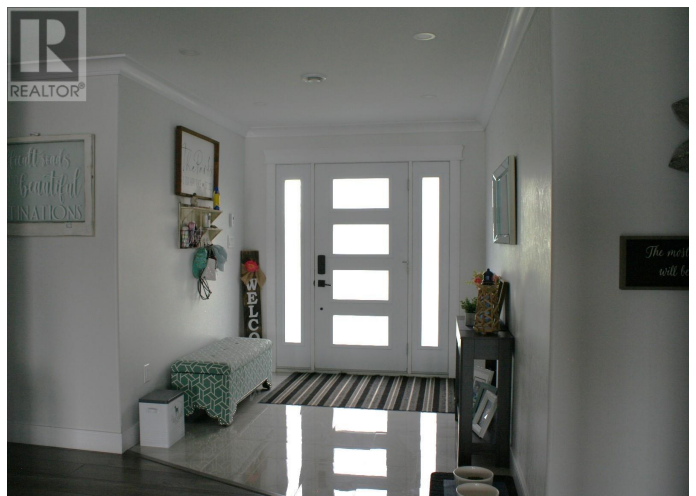

N/A, Mcivers, Newfoundland & Labrador

From it's custom design features to it's 'sitting on the Bay' location, this waterfront property is one to be seen. 369 A Main Rd, McIvers is a three bedroom, 2.5 bathroom home the was mostly custom built in 2020. There is an office and a playroom which could make this home a five bedroom dwelling. The main bedroom has it's own ensuite with an 'oversize' separate shower, while the two other bedrooms share a 'Jack and Jill' bathroom, each has custom vanities. The LR/DR/Kit has a nice flow and is an open concept. The kitchen features porcelain floors, custom built antique finish cabinets, custom granite countertop, and a large walk-in pantry. The staircase is a dark finish hardwood and is also custom built. The home has a 200 amp breaker service, a wood/oil in-floor heating system, and is also generator able. The attached garage also has a bonus room above it which is accessible from and part of the upstairs. This home is built to a current modern standard and will likely be maintenance free for many years to come!! (id:6289)
