This site is ideal for many options. It could be a location for a commercial fishing enterprise as was the case for decades, a site for whale tours, kayak tours, as site for conversion to a waterfront home, a site for a new home built on the main road frontage with lots of wharf space / shed space for all the toys, or for other uses that stir the imagination . The remains of the fishing enterprise includes a large wharf, slipway, fuel shed, two boat sheds , one of which is very large and it is serviced by electricity. (id:6289)
