MLS® #1288352

\$50,000

2 Bedroom, 1.00 Bathroom, 437 sqft

Recreational on 0.50 Acres

N/A, Northern Bay, Newfoundland & Labrador

Own an off grid cabin just moments away from Northern Bay Sands. With a flick of a switch this cabin is powered by solar. When the nights get cold it has a diesel powered heater that takes just minutes to make the cabin becomes a cozy oasis. The cabin has a woodstove for those who love the smell of a wood burning stove through out the home. If you're a person who loves a hike or even fish, there are trails all around this area leading to ponds. At this incredible price point the cabin is selling as is and comes with everything you see inside. Located in a tax free zone. It is NOT on leased or Crown land. Owners would love to keep this little cabin but they are moving out of town. (id:6289)
