N/A, Port Au Port East, Newfoundland & Labrador

This unique raised bungalow sits on a long narrow lot (60 x 210) and has lots of potential to build a garage or grow veggies, or put up a pool, swing set, trampoline, etc. for your children. This home was built 15 years ago and has a new kitchen waiting on new cabinet doors, it comes with a fridge, stove and range hood. There is a allocated spot for a built in dishwasher if you so choose, and a place in the island for your garbage and recycling cans too. There are two bedrooms upstairs, one of which is the primary bedroom and has a large walk-in-closet. There is a full bathroom on each floor, a closet at the back door upstairs and a utility room downstairs. The walkout basement goes out in the back yard and could very easily be turned into a basement apartment. There are two smaller rooms with windows that can be turned into bedrooms if you added closets or wardrobes. There is a full bathroom with laundry in the basement and a huge recreational room with a bar and a wood burning fireplace too.
