OCEANFRONT PROPERTY!!! This is amazing to have approximately four acres of oceanfront property ready for development into either a subdivision or a couple of lots or even just one all for yourself. This property is only 15 - 20 minutes outside the Town of Stephenville right on the Ocean. This is the perfect spot, only a short drive to all the amenities like the hospital, theatre, shops, restaurants and more, but enough distance to enjoy the peace and quiet of small town living and the bonus of being able to see the fishing vessels, and other ships coming into the Bay, plus seeing the wildlife right from your back door. This is a very unique opportunity for this much land to come available at once, so do not hesitate to call for more information or a copy of the survey and start your planning!! (id:6289)
