Vacant Land on 2.62 Acres

N/A, Powell River, British Columbia

In the Regional District of qathet (Powell River). Approximately 2.5 acres of forested land that allows you multiple uses to work, live and play. Literal minutes from the City Limits and access to all of the amenities. BUT these lots come without the time and requirements that slow the building process down. Looking for an opportunity to get your dream built on your time and without huge development costs, then lets talk! Seriously an unusual location and opportunity, may even have subdivision potential, subject to confirmation from the Regional District of course. Septic sites documented and water agreement available. (Document on file) Street name is currently under review, Nootka Street is used as closest reference. (id:6289)
