0 Bedroom, 0.00 Bathroom,
Vacant Land on 2.50 Acres

Cape George Estates, Cape George Estates,
Nova Scotia

A chance to have a Lot in one of the premiere subdivisions in the area. A beautiful wooded site that has a mix of hardwood and softwood trees. A great location for your new home. You can clear the site to suit your needs or still have lots of trees and vegetation to make it a very private setting. This site has power at roadside and the owner has installed a driveway and just cleared a few trees on the site as prep work. The site is within minutes of the village of St. Peter's and all its local services and just steps away from the beautiful Bras d'Or Lake. The site is one of the back Lots and has a walking easement to access the Bras d'Or Lake. There is an active owner's association. Wildlife abounds and it is nothing to look on the street and see white tail deer and eagles soaring overhead. A great place to call home. (id:6289)
