Vacant Land on 145.00 Acres

River Denys, River Denys, Nova Scotia

Mining investment opportunity! 145 acres of mineral resource property on River Denys mountain. This property is the former home of the Diogenes brook sand and clay mine and is rich in construction grade sand, dolomite and an estimated 5 million tons of quality silica sand. The area has been test drilled and the sand has been tested for use in concrete. (reports available on request). Thousands of dollars in road construction has been done on this property as the current owner uses it for logging. Great financial potential for this property, inquire today! (id:6289)
