Vacant Land on 13.00 Acres

Southwest Cove, Southwest Cove, Nova Scotia

Over 1100 feet of private Coastal Atlantic Ocean shoreline along Owls Head Harbour to explore and it can be all yours! Imagine walking into the ocean, exploring your many private coves from your own land! This 13 acre lot had a family home brought in from one of the nearby islands by float in 1910, which then became the current owners family cottage, (no longer standing). There was also a shed and a driveway that is now overgrown with softwood trees and brush and a dug well that is not verifiable for use. Picture yourself exploring the many islands and coves by boat, lulled to sleep by the sounds of the waves, tucking in as the storms roll in and the dark starry night skies. A short drive or bike ride to Clam Harbour Beach, home of the famous Sandcastle building contest, so close to the many daily amenities of Musquodoboit Harbour. Under an hour to the city of Dartmouth and the bridges to Halifax. Just over an hour to the international airport. Make your dream come to life! (id:6289)
