Vacant Land on 30.00 Acres

North Shore, North Shore, Nova Scotia

This exceptional 30-acre oceanfront property, nestled along a private road, offers approximately 2700 feet of stunning ocean frontage, providing an idyllic setting for both personal use or an entrepreneurial venture. The serene landscape includes a charming rustic cottage, perfect for use as a cozy retreat or as the foundation for an Airbnb or cottage rental business. Although currently lacking water, septic, and power infrastructure, the land offers a blank canvas for development, allowing the new owner the freedom to tailor utilities and amenities to their specific vision. With expansive ocean views, tranquil surroundings, and limitless potential for recreational activities, this property promises the perfect balance of peaceful seclusion and exciting opportunity, whether as a private coastal haven or a thriving hospitality venture. Explore the 30 acres at your leisure and, maybe, like the current owners have, you will find rare artifacts from when it was an old Acadian Settlement. (id:6289)
