3 Bedroom, 1.00 Bathroom,
Recreational on 2.62 Acres

Cascumpec, Cascumpec, Prince Edward Island

Here is a 3 bedroom cottage on a large 2.62 Acre lot with 2 minute walk to the water of Cascumpec Bay. The lot is mostly treed with exception of where the cottage is located. The cottage has a new asphalt shingled roof. The exterior is cedar shingles and the cottage sits on crestote posts standing on end. The interior of the cottage has open concept living room and kitchen and there are 3 bedrooms and a full bathroom. The cottage is insulated with exception of the under floor and attic area. With the size of this property and being very close to the water this would be an ideal place to build your very private forever home or whatever your needs are, possibly sell or rent the cottage and build back in the trees, potential is there. Property is being sold in "as is where is" condition. (id:6289)
