3 Bedroom, 2.00 Bathroom,
Single Family on 1.00 Acres

Fortune Bridge, Fortune Bridge, Prince
Edward Island

If you've ever dreamed of a handcrafted log home tucked in the woods along a tidal river, this is it. Built and cared for by the original owner, the quality shows in every detail. Warm and inviting, the home offers in-floor electric heat plus a cozy wood stove. The main level features an open living/dining/kitchen, two bedrooms, and a family room. Upstairs, you'll find a spacious bedroom and a den. A wide front porch looks out over the river, while down at the shore a multi-level deck is perfect for fishing, entertaining, or simply relaxing. With good moorage, your boat will always be close at hand. Two log sheds—one for wood storage and the other for tools or a workshop—add to the practicality. Set on a quiet private road with year-round access (and snow cleared by a helpful neighbour), the property is in tip-top condition and ready to move into. Many quality furnishings can also be included. All measurements are approximate. (id:6289)
