The castle on Willow as I like to call it!
Welcome to 79 Willow Ave in the historic Town of New Glasgow. This well loved and maintained home is ready for its next chapter. You feel up in the trees when in the upstairs bedrooms and what beautifully mature trees they are. The main floor has old world charm but its brilliantly open which will allow for wonderful gatherings. I can already see where I would put the Christmas tree. The second floor bathroom feels like a spa and it also houses the laundry, which we love. No more lugging up and down. The hardwood is near perfect and has been refinished. The number of windows will cut that electricity bill and oh, did I mention 3 heat pumps? No more sweating in the summer but speaking of summer, enjoy either the back deck or front step to sit and enjoy our perfect Nova Scotia summers. The garage can fit your car and all the lawn equipment and kids hockey gear. Gosh, I'm dreaming now, are you? (id:6289)
