Single Family on 0.80 Acres

Berwick, Berwick, Nova Scotia

After a few months on market and a major price reduction, this seller is eager to see this cute home find its new owner, and is ready to work with qualified buyers seeking a quick close - bring an offer! Charming and move-in ready, this renovated home is tucked away on a quiet side street just a short walk from all the amenities of downtown Berwick, right in the heart of the Annapolis Valley. Set on a generous 0.8 acre lot with mature trees, a paved driveway, and a detached 1.5 car garage with workshop space, this property offers rare value and is priced to sell. Substantial renovations have been completed over the past two years, including a renovated kitchen & the 1.5 bathrooms, new flooring, updated light fixtures, fresh paint throughout, and many vinyl windows. The back deck and patio door are also new, and the newly-installed WETT-certified wood stove heats the home easily. Behind the scenes, you will find major electrical upgrades, structural foundation work, and most exterior walls have been gutted and re-insulated. All around, you'll have peace of mind for years to come. With a 2nd driveway already in place, this lot could hold potential for subdivision (TBV by Buyer) and potential exists to create a 3rd bedroom. Closing is flexible, and all appliances are included. This is a rare opportunity to own a solid, modernized home in a prime small-town location. (id:6289)
