Vacant Land on 25.95 Acres

Wilmot, Wilmot, Nova Scotia

An exceptional opportunity for the discerning investor this 25.95-acre parcel in Wilmot offers over 1,500 feet of Annapolis River frontage, a rare and valuable feature with strong appeal for future development or private use. The land presents a versatile mix of open fields and mature woodland, offering multiple options for subdivision, recreational development, eco-tourism ventures or a secluded estate property. With convenient road frontage on Hwy 1 and proximity to local amenities, access and visibility are excellent ideal for a potential campground, retreat or other income-generating project. The Annapolis River itself provides a year-round attraction for boating, kayaking, canoeing, tubing and fishing making this site especially suited for tourism, lifestyle-oriented buyers or value-add land holding. An on-site shed is included for storage or project staging. With waterfront land becoming increasingly scarce, this is a smart acquisition for investors seeking long-term appreciation, development potential or a unique lifestyle asset in Nova Scotia's growing Annapolis Valley.
