5 Bedroom, 1.00 Bathroom,
Single Family on 0.00 Acres

Summerside, Summerside, Prince Edward Island

Step inside a home that has quietly watched Summerside grow for over 70 years. Located within walking distance of the city's revitalized downtown, this 1950-built gem offers more than just square footage; it offers character, charm, and a connection to place. From the original pine trim and staircase to the glass-paneled door leading upstairs, this home has been lovingly preserved. Hardwood floors flow throughout both levels, grounding the space in warmth and history. The layout is practical yet inviting: a main-floor bedroom sits just off the kitchen, ideal for guests or a flexible workspace, while four (4) more bedrooms and a full bath await upstairs. The main floor also hosts a classic trio of kitchen, dining, and living rooms, each wrapped in that mid-century glow. Outside, a fenced backyard completes the property on a 40.5' x 86' lot; compact, manageable, and private. Whether you're drawn to the affordability, the walkability, or the timeless feel, this home delivers a little more than expected. (id:6289)
