Single Family on 9.76 Acres

Albany Cross, Albany Cross, Nova Scotia

This beautiful peaceful retreat is being offered, for the first time since the early 1900's. Originally built as a hunting and fishing lodge, character abounds in this wonderful home. The property offers over 9 1/2 acres with an expansive 780 linear feet of lakefront and easy access steps to the stone deck and waterfront. The spring fed lake is calm, warm and inviting for swimming, water activities, a quiet paddle on the pristine waters or sitting on the deck watching the spectacular sunsets. The home itself has 4 plus bedrooms, 2 downstairs including 2 full baths and a recreation/dressing room. On the main level there is a guest room, plus a study that could work as a bedroom as well as the living/kitchen/ dining areas. Waterfront views are at almost every turn within the home. A natural stone fireplace with wood stove insert adds extra ambiance for a cozy evening in the living area and adjacent dining area. A large guest barn provides overflow space for extra guests. Over the years many large family gatherings were enjoyed here on the grounds and in the warm waters. A potting shed, utility/wood shed, a gazebo and gardens both visual and edible were once teaming with growth and provisions for setting a family feast table. This property welcomes an opportunity for a new family to enjoy nature and quiet surroundings. (id:6289)
