What a great find! This purpose built triplex is located just outside of town limits, and sits on a well manicured lot. The two upper units each offer three bedrooms and a private side yard balcony. Character features such as original hardwoods and arched doorways add charm to these well kept apartments. The basement unit is a one bedroom with grade level walkout to the backyard. Plenty of parking space and two storage sheds adds to the appeal. All three units have their own laundry connections and power meter. Newly installed roof shingles and steel oil tank in 2024. Lower county taxes, but benefiting from a municipal water connection and on a public transit route. These tenants take pride in their units, and it shows!
