3 Bedroom, 2.00 Bathroom, 1,680 sqft
Single Family on 0.92 Acres

West Dublin, West Dublin, Nova Scotia

Seaside homes don't get any better than this gem. Crescent Beach is minutes away. This charming, 3-bedroom, 2 bathroom, Captain's house faces the lobster wharf on Currie Cove in West Dublin only 2 kms from beautiful Crescent Beach and ten minutes to the LaHave Bakery and the Ferry. The property is just a few feet shy of an acre and extends up the hill in the back where the views are even better and there is plenty of room to build a secondary suite! The house has had major renovations over the last few years, renovations including a new metal roof, chimney, doors and windows. Both bathrooms have been upgraded with new fixtures and ceiling fans and a ceramic shower has been added to the upstairs bathroom. New flooring has been added on both floors and the downstairs is freshly painted. A new heat pump was installed and provides air conditioning in the summer and a new pacific energy wood stove heats the house very efficiently during the colder months. There are lovely views from most rooms in the house and a beautiful 13 x 22 foot deck runs from the back door along the side of the house where you can sit and enjoy the view as you sip your morning coffee or glass of wine. This home would make a Fantastic summer home or Air BnB!!! The income potential is insane being so close to the water and some of the best beaches in Nova Scotia or make this freshly painted and staged seaside home your personal retreat!! (id:6289)
