6 Bedroom, 4.00 Bathroom,
Single Family on 0.42 Acres

Summerside, Summerside, Prince Edward Island

Gorgeous home with a large in-law suite! Welcome to 179 Gillespie Ave in beautiful Summerside, Prince Edward Island. This Seymour DesRoches built home sits on a private 0.42-acre lot at the end of a dead-end street in the Wilmot Estates Development. The primary living area is upstairs and features a large kitchen with functional cabinets, a ceramic tile backsplash, stainless steel appliances, a sizeable two-toned island, and an eat-in dining area. There are two fantastic living rooms on this level. Both face the street; one has large picture windows with a cathedral ceiling, and the other has a patio door that leads to an amazing outdoor balcony you can sit on to enjoy your morning coffee or an evening cocktail at sunset. There are four bedrooms, all with closets. The primary bedroom has a walk-in closet and ensuite bathroom with a standup shower. The laundry and another full bathroom are ideally located between the bedrooms. Walking up to the house, you'll instantly notice very well-manicured shrubbery on the way to the covered wrap-around veranda. Step inside the front door to a common landing area with access to the double car oversized garage, a staircase to the upstairs, and a hallway to the in-law suite. The in-law suite also has a dedicated entrance. It features an open-concept kitchen-dining living room. The kitchen has plenty of room to work in and ample cabinets with a large breakfast island.

Plenty of windows facing the street off the living room provide natural light. There are two well-sized bedrooms, a full bathroom and a 1/2 bathroom. Along with a laundry room, a bonus room leads to the large back deck and a 27' above-ground pool enclosed with decking. The backyard is very private, with mature trees on the perimeter. The perfect setting to enjoy the summer heat! There is a full unfinished basement with egress windows should anyone want more than the 3050 square footage of living space this home already has. Pr
