Welcome to 267 Green Road, an amazing lifestyle opportunity awaits. With almost 10 beautiful acres featuring a pond, the future of this property is wide open. This home was originally "off grid," offering an alternative lifestyle. The property now has a 200-amp panel, lots of opportunity in the 28 x 38, 2-storey garage, featuring a steel girted floor on the upper level. This building could be used for many different future projects. Most of what you see inside came from the original owner's own craftsmanship. The home features a beautiful fireplace/ chimney on 2 levels, and the basement has a wood stove. There are 2 bedrooms on the lower level, ready for finishing, with a walk-out from the basement to the outdoors.
