Looking for a project? This handyman special could be just what you are looking for. A make over will do this home wonders, what a chance to make it your own. It was mostly stripped to the studs in 2008, with new insulation, vapour barrier and gyproc. It is currently heated with a wood stove, there is an oil furnace on site but not used for years. Great sunporch on the front of the home, living and dining room combined, good sized bathroom, large kitchen and laundry nook make up the main floor. 4 bedrooms upstairs with a huge landing. This home has tons of potential, it just needs elbow grease and your vision. (id:6289)
