ULTRA-RARE Opportunity: Nearly One Acre with Sweeping Farm Views! Country building lots like this are becoming increasingly scarce. With rural severances heavily restricted for years—and regulations only tightening—land like this is in high demand. As available lots disappear, their value continues to rise. If you’ve been dreaming of building your home in the country, the time to act is now. Ideally situated between Nelles Corners and Hagersville, this exceptional property offers privacy, space, and breathtaking views for miles. There’s ample room to build a substantial home and workshop, with generous distance from neighbours. Important: Buyers must conduct their own legal due diligence regarding any intended use. Showings by appointment only—please do not walk the property without one. (id:6289)
