4 Bedroom, 3.00 Bathroom, 2,080 sqft
Single Family on 0.00 Acres

Grimsby East (542), Grimsby, Ontario

Tucked away on a quiet cul-de-sac in a friendly Grimsby neighbourhood (where kids can actually play in the street!), this 4-bedroom back split is hiding a delightful secret. It's not just a home; it's almost two homes in one! Imagine the possibilities with a beautifully updated in-law suite, complete with its own entrance and a gorgeous, modern kitchen. Upstairs, you'll find another stunning kitchen, perfect for the head chef of the house. This home is sprinkled with charming details, from coffered ceilings in the dining room (fancy, right?) to elegant wainscoting in the primary bedroom and a skylight that makes another bedroom feel like a sun-drenched oasis. And when the snow starts to fall, gather around the cozy wood-burning fireplace in the lower level – it's the perfect spot for hot cocoa and movie nights. Recent updates, including a brand new furnace (2024), roof (2020), A/C (2022), and stylish touches throughout (2023), mean you can just move in and start making memories. (id:6289)
