Single Family on 0.00 Acres

1013 - OO Old Oakville, Oakville, Ontario

Located in one of Oakville's most desirable pockets this new custom home creates a stylish atmosphere that will impress even the most detailed buyer. Architecture by Hicks Design Studio and built by Gasparro Homes this home features over 3,100 square feet above grade as well as a rare double car garage. The transitional design layered with soft textures and high-end light fixtures make it the ultimate retreat! The foyer provides a clean sightline through the rear of the home which highlights the near floor to ceiling windows. Double metal French doors, with beveled privacy glass, lead you into the home office with wall-to-wall cabinetry. From the dining room, walk through the butlers pantry into the open concept kitchen and family room. The kitchen, by Barzotti Woodworking, is extremely functional and features white oak cabinetry with black/glass accents, an oversized island, and cozy breakfast nook. The second level of this home has a bright and airy feel with gorgeous skylights and semi-vaulted ceilings in every room allowing for extended ceiling heights. The primary suite spans the rear of the home with stylish ensuite and large walk-in closet with custom organizers. Two additional bedrooms share access to a jack-and-jill washroom. The final bedroom upstairs enjoys its own private ensuite and has a walk-in closet. The lower level of this home features 10ft ceilings and radiant in floor heating. The recreation room, with custom wet bar overlooks the glass enclosed home gym. A

fifth bedroom along with full washroom is also found on this level. This level is finished off with a cozy home theatre. This home also features two furnaces and two air conditioners for ultimate home comfort. The private rear yard is freshly landscaped with a full irrigation system as well as landscape lighting. The back patio features retractable screens and naturally extends the indoor living space. The ultimate turn-key package. (id:6289)
