5 Bedroom, 5.00 Bathroom, 3,893 sqft

Single Family on 0.00 Acres

312 - Central, Burlington, Ontario

Welcome to 684 Peele - this custom-built home has been meticulously designed from top to bottom and features a floor plan tailored for family life. The main floor impresses from the moment you step inside. Engineered floors, custom millwork, stunning fireplace and 9 ft ceilings on the main and second levels. The heart of the home is the expansive kitchen where custom cabinetry, premium appliances, walk-in pantry and a large island flow seamlessly into the great room. Step outside to the oversized covered rear porch - a true extension of the home overlooking the large backyard. A thoughtfully designed mudroom with built-ins and side entry access adds everyday functionality. Upstairs, the primary suite is a private retreat featuring a spacious walk-in closet and a luxurious ensuite with double vanity, freestanding soaker tub, and oversized shower. The fully finished lower level offers over 1,200 square of additional living space and access to a separate entrance. A large rec area, full wet bar with beverage fridge, fifth bedroom, full bathroom and ample storage make this level both versatile and functional. Double detached garage with vaulted ceiling, 40-amp sub panel and 6 slab is perfect for the car enthusiast. An exceptional offering in South Burlington, this home delivers style, substance, and space! Luxury Certified. (id:6289)
