This well-maintained 4-bedroom, 3-bathroom bi-level home offers over 2,200 sq ft of developed living space on a corner lot in the established community of Millrise. With significant mechanical upgrades completed in 2024—including a high-efficiency furnace, heat pump, triple-pane windows throughout, and central air conditioning, new Water Softener System—this home offers comfort and efficiency year-round. Most appliances and all lighting have been updated to energy-efficient models, supporting lower utility costs and modern living. Inside, the upper level features a bright and open living room with large windows and a gas fireplace, plus a well-designed kitchen with granite countertops, newer stainless steel appliances (including a hood fan that vents outside), and a spacious breakfast nook that opens to a covered deck—perfect for morning coffee or summer BBQs. The primary bedroom includes a walk-in closet, additional wardrobe, and a 4-piece ensuite. Two additional bedrooms and a full bath complete the main floor. The fully finished basement expands your living space with a large recreation room, a retro-style wet bar, and a freestanding cast iron gas stove that adds warmth and charm. You'll also find a spacious fourth bedroom (non-egress window), a 3-piece bathroom, and ample storage throughout.
