Welcome to 311 Monterey Place SE in beautiful High River, Alberta, where the pace is slower, the skies are wider, and the backyard views are downright dreamy. This warm and welcoming 2-storey home offers nearly 3,000 square feet of thoughtfully developed living space. Step inside and youâ€™re greeted by a spacious, open-concept main floor featuring a modern kitchen with quartz counters, loads of counter space, and a walk-in pantry to keep everything tucked away. The dining area flows beautifully into the living room, where a cozy gas fireplace sets the tone for family nights or lazy Sundays. Upstairs, you'll find three generously sized bedrooms, a bright bonus room, and a thoughtfully designed full bathroom with a double vanity (so yes, no more morning sink battles). The primary suite is your peaceful getaway, complete with beautiful ensuite with a soaker tub and walk-in closet.
