This level is equipped with a 3pc bathroom and ductless mini-split air conditioner. The fully developed basement with IN-FLOOR heating

adds another 1,000 sq. ft. and includes a 4th bedroom, a 4pc ensuite and a huge living area currently used as family, media and rec room in one. Several large windows offer natural light in the basement. This property has an amazing outdoor space; not only is there an appealing front yard, but at the back youâ€™ll find lawn, a patio, fruit trees and 5 large planter boxes. To finish, this great inner-city home, comes on a 30 ft wide lot and offers a double, oversized and drywalled garage. The location speaks for itself, rated with one of the highest walking and biking scores in Calgary. And it is just steps from the entertainment district of Kensington and across from Riley Park. One can easily walk to the Kensington C-Train station and the Bow River Pathway and many schools. Both SAIT and Downtown are also within walking distances.
