Entering the unit you'll be welcomed with hardwood floors, a generous storage room and your stacked, in-unit laundry (April 2025). Walking into the main living space you'll appreciate the large kitchen featuring stainless steel appliances, granite countertops, an open concept floor plan with a good sized living/dining area and a newer fireplace, 2023. The oversized patio doors lead to a SOUTH FACING patio that's great for a morning coffee or evening wine. The 4 piece bathroom was renovated in November 2020 and has tile flooring. Both bedrooms are larger than you'd normally find in a two bedroom apartment with the carpet being replaced in 2019. Other features of the unit/building are that you're just a few steps to your parking stall which has a plug, there's a new ramp being installed at the main entrance and it's a concrete building. The biking score is an impressive 99 with a walkability score of 95 and transit score of 77, almost unheard of!
