Welcome to 113 Straddock Terrace SW, an exquisitely renovated residence in the prestigious community of Strathcona Park. Nestled on a quiet cul-de-sac, this five-bedroom, three-and-a-half-bathroom home boasts over 2,000 sq. ft. of thoughtfully designed living space, blending timeless style with modern convenience. From the moment you arrive, the brand-new front porch and updated entry door create a warm first impression, leading into an open-concept interior filled with natural light streaming through new triple-pane windows. The main floor showcases engineered white oak hardwood flooring, refined finishings, and a cozy gas fireplace, while the heart of the home—the kitchen—features quartz countertops, premium cabinetry, and all-new high-end Forno appliances including a 36" gas range and matching refrigerator. A unique filtered water system is integrated from sink to fridge and stove spout, complemented by new designer lighting and smart outlet upgrades throughout. Upstairs, the primary suite is a true retreat, offering a private balcony, sitting or vanity area, spacious ensuite, and a remarkably versatile walk-in closet that could even function as an additional room, while an upper-level fireplace—adaptable for wood or gas—adds charm and warmth. The fully finished basement extends the living space with a media room, full bathroom, abundant storage, and two heated storage rooms cleverly built into the crawlspace. This unique

split-level design also provides a flexible room off the main floor that can serve as an office, teen retreat, or multipurpose area. Outdoor living shines on the southwest-facing pie lot, where mature trees create a private oasis. Two decks offer endless possibilities—one perfect for outdoor relaxation and another featuring a hot tub—while a cherry tree adds seasonal beauty to the backyard retreat. With over \$200,000 in renovations, freshly painted stucco siding, new window coverings, and a recently inspected roof in excellent condition, this home has been transformed into a stylish and functional masterpiece.
