Mount Pleasant East, Toronto (mount Pleasant East), Ontario

For those who don't just live, but live well. This boutique, design-forward building of just 36 suites sits quietly tucked into one of Toronto's most iconic neighbourhoods. Bold, architectural, and timeless - The Keewatin is built for those who move differently, who demand more than the ordinary. Suite 207 spans 1,338 sqf. of flawless design with a layout that feels more like a home than a condo. This is downsizing without compromise - or the ultimate pied-à-terre for those who demand style, substance, and privacy. Inside, sophistication is everywhere. Sleek lines, warm hardwoods, and floor-to-ceiling windows set the tone, while a generous terrace extends your space outdoors - perfect for late-night dinners, solo mornings, or hosting under open skies. The Scavolini kitchen is a true masterpiece - quartz waterfall island, full-height backsplash, integrated Miele appliances, and sleek gas fireplace anchoring the open living space. Two oversized bedrooms, two spa-like baths, and a flexible den that adapts to your rhythm - home office, gym, guest room, or creative studio. The primary suite is a retreat of its own with a custom dressing room and an ensuite that nails the balance between minimal and indulgent: double vanities, freestanding tub, oversized glass shower. Architecturally bold and thoughtfully designed, The Keewatin

blends privacy, luxury, and timeless design - just steps from Sherwood Park and a short walk to Yonge & Mt. Pleasants shops, caf  s, and transit. This is The Keewatin. There's nothing else like it. (id:6289)
