Loft living at its finest! Located in one of Toronto's best neighbourhoods, this light-filled and updated two storey, one bedroom + custom den makes your King West dreams come true. Featuring a large kitchen with tons of cabinetry, a separate den with custom built storage and desk, an over-sized bedroom fit for a queen (and king!), a beautifully wide living room with walkout to your unobstructed balcony and the most lovely floor-to-ceiling windows with remote powered blinds letting ALL of that south-facing sunshine in. With no neighbours above, it feels like your own little sanctuary on top of the world! Step outside and you're within steps to anything and everything- the best restaurants, shops and transit and for those living their best active lifestyles, you're steps from amazing parks, trails and of course, the waterfront.
