Live the Island Life...the kitchen island life that is! If you're looking for an elevated one bedroom plus den unit with all of the extra's, then look no further. If you're not, you'll find plenty of mediocre options nearby but you won't be as happy. Recently updated, this spacious unit features a renovated bathroom, newer flooring throughout and an updated kitchen with premium appliances that include a flat cook top (for all of you aspiring Chef's) as well as a stunning over-sized kitchen island with plenty of space to prep your culinary masterpieces and entertain guests while you're doing it. Yes, you could find yourself featured on the hit show, Come Dine With Me (Canada)! If you don't like to cook, Uber Eats tastes that much better on gorgeous quartz counters in a space like this. You've got lots of storage throughout and a built-in Murphy bed in the den (which also includes a closet and features an actual door) makes hosting guests a breeze while simultaneously making the most out of the space as an office, lounge area or exercise room when you're not hosting. A sunny west exposure delivers great natural light across the space and fantastic building amenities mean you can finally give up your membership at GoodLife. Superb location - everything you need is a short walk away, including the TTC and Gardiner, for those times you just need to get out of

Toronto. Getting to the lake shore is a breeze as well; should you want to get to an actual island, the Centre Island water taxi's are a quick stroll south. Don 't sleep on this one - she won't last long! (id:6289)
