Business

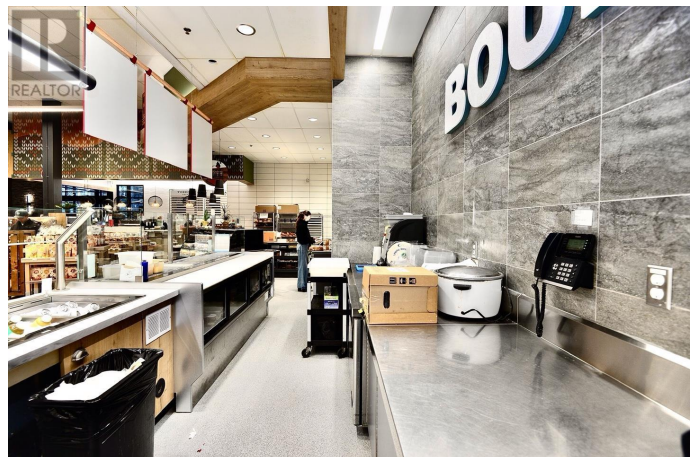

N/A, Whistler, British Columbia

It is a stable sushi shop in a famous supermarket in the bustling area of Whistler Village. Whistler is a busy area with mountain bikes in the summer, skiing and snowboarding in the winter, and tourists all year round. Currently, one owner is working, but it is easy to operate because all sales are in the form of posting and all materials except vegetables are ordered by the franchise headquarters. There has been steady sales growth for the past three years, and since the shortened business of supermarkets due to COVID-19 has ended, it is recording higher sales than in the same period last year. Sales: about over \$300,000 Sales are increasing rapidly due to the increase in tourists after COVID-19, and higher sales are expected because the location in the supermarket will be moved to a place with good exposure. If a couple or two people work together and add Pokeba, you can earn a higher income. Welcome to showing and any enquiry (id:6289)
