Last night I dreamt of the perfect retail location in Lower Lonsdale. Ground level, with thousands of people walking by every day... a beautiful mix of locals and tourists, spending money and enjoying the incredible vibe. With windows on 2 sides, the natural light poured in... and so did the profits! The dream continued.... I couldn't believe how supportive the community was of my business and I felt grateful to own real estate in this AAA location! The only problem in my dream was that I couldn't figure out if I should grow my business to another location or invest my profits in Bitcoin. What would you do? For sale or lease - please contact Geoff. (id:6289)
