Single Family on 0.00 Acres

South East, Ajax (south East), Ontario

Welcome to a home that truly has it all -- space, comfort, and thoughtful touches throughout -- perfectly located in one of South Ajax's most desirable neighbourhoods. Just minutes from the lake, parks, hospital, schools, transit, the 401, and everything your family needs. Step inside to a bright and cozy living room where hardwood floors and a built-in electric fireplace create a space you'll love coming home to. The updated kitchen is both stylish and functional, featuring granite counters, stainless steel appliances, a breakfast bar, and warm porcelain floors. The spacious eating area offers a lovely view of the backyard where you'll find a sunny deck, a refreshing inground pool, and even your own putting green for a little fun and relaxation. Upstairs, the large primary suite is a true retreat with three walk-in closets, hardwood floors, a cathedral ceiling, and a beautiful 5-piece ensuite. The fifth bedroom offers flexibility as a home office or hobby room and is already prepped with capped gas and plumbing if you'd like to add second-floor laundry. The fourth bedroom does have stand alone custom closets -- an added bonus that can be negotiated with the seller. The finished basement adds even more room to spread out, complete with a dry bar, 3-piece washroom, dedicated office space, and a flexible room that's perfect for a home gym, studio, or playroom. This is a home made for real living -- filled with space, charm, and possibilities, both inside and out. (id:6289)
