Looking for plenty of parking for 6 cars and a detached heated and insulated garage? This bungalow with in-law potential is perfectly situated on a generous pie-shaped, fully fenced lot with a sunny western exposure. Nestled in an established neighbourhood close to schools, parks, shops, downtown amenities, and with quick access to Hwy 401 and transit, this home offers both convenience and charm. A true standout feature is the separate 400 sq. ft. detached heated and insulated garage/workshop, measuring 18' x 24'. Complete with windows, fluorescent lighting, 40 AMP electrical service, a 45,000 BTU gas heater, shelving, storage loft, and built-in workbenches, it's the ultimate space for hobbyists, car enthusiasts, or anyone in need of a functional man cave. Inside, you'll find a spacious open-concept kitchen featuring stainless steel appliances, crown mouldings, and a handy pass-through to the living room. The living room shines with hardwood flooring and a large picture window that fills the space with natural light. Step out to the welcoming front deck, complete with aluminum railings and spindles. The thoughtful layout continues with a separate side entrance for easy access to the basement. A French door leads from the main floor into a versatile side vestibule. The flexible third bedroom (or office space) comes with laminate floors, a Murphy bed, and direct

sliding glass door walk-out to the covered backyard patio. This area is perfect for lounging, entertaining, or enjoying summer barbecues, all while overlooking the landscaped garden. The fully finished basement adds even more living space with two additional bedrooms, a large open recreation room featuring a cozy gas fireplace, and a full three-piece bathroom with a separate shower stall.
